

Dear Hiring Manager,

I was referred to your Front End Developer position from Indeed.com. I am a Front-End Web Developer with 4+ years experience and I am very excited by the opportunity to work with you. I would love to contribute my skills and experience to directly affect the growth of your company so we could create innovative user experiences and build the tools to help provide insights.

My experiences include working as a Front-End Developer for Tea Collection, an online E-commerce. My accomplishments include reworking the company website making it more efficient by creating solutions to Marketing needs.

Accomplishments include:

- discovering ways to schedule content through the CMS
- creating modular reusable global assets that can be targeted using JS
- optimizing website page load
- leading the re-development of the website into a responsive website
- creating user experience that is seamless and easy to use
- providing tracking metrics from GA for Marketing insights

I think my skills and experience are an excellent match with what you are seeking, and I like the opportunity to meet with you and talk more about the Front End Developer position and the value I can bring to this position. I look forward to hearing from you soon and thank you for your time and consideration.

Sincerely,  
David Thanphilom
